NIPN Uganda on
the move.....

where we started

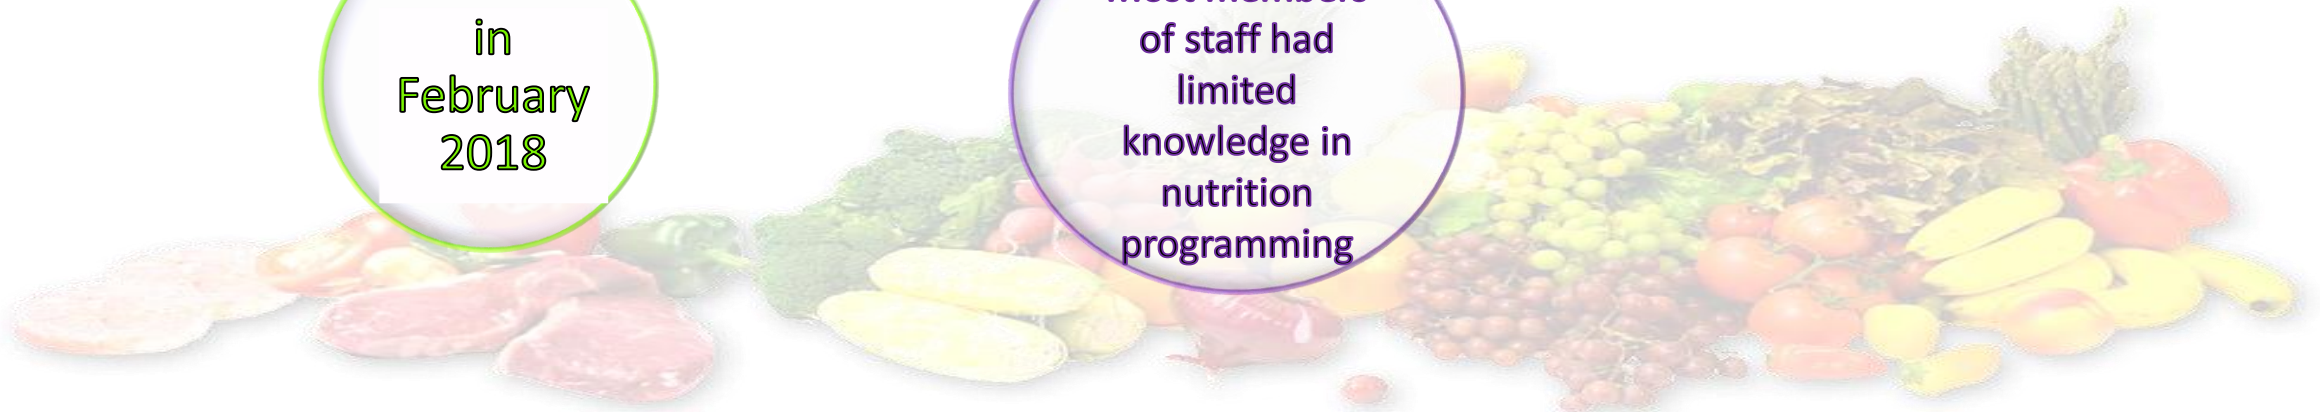

NIPN
Project

March and April 2019,
members of staff started
operations

The new staff
faced bottlenecks

launched
in
February
2018

Most members
of staff had
limited
knowledge in

programming

what we did

formal and informal induction within the Policy Unit at OPM and the Analysis Unit at UBOS.

Joint induction sessions for the two NIPN units.

Persistent engagement, communication and information sharing within the team.

Regular project leadership meetings where the team leaders at UBOS and OPM meet

Capacity building sessions were held;

1. Webinar with the Global Support Facility
2. A two-day capacity building workshop on nutrition programming attended by all NIPN staff

What change do we see?
