NSNP Strategic Exécutive Committee

NIPN Technical Group
(Multidisciplinary guidance and counselling group)

Communication and advocacy unit
Scientific Community

SUN, NTG, NIPN, Clusters, ....
V - Role of PNIN: Capacity Building & Data Quality

Data quality improvement’s objective

Bureau of Statistics DATABASE

- National surveys like:
  - Vulnerability
  - DHS & MICS
  - National budget & consumption
  - Population census

- Data cleaning & harmonization
- Database cleaning & harmonization

Sectors DATABASE

Program routine data:
- Education
- Nutrition
- Health
- WASH
- Agriculture
- Livestock

Centralized Data & database archiving & management
- National surveys
- Sectoral database (education, nutrition, health, WASH, ag...ect)

Treatment, production & accessibility

Database anonymization

Capacity strengthening’s objective

- Basic concept in nutrition
- Training on impact pathways & nutrition measurements
- Graduate education in health & nutrition economy
- Graduate education in international nutrition
- Training in communication & diffusion skills

- Advanced statistical training
- Analytical methods
- Training of data anonymization
- Data mining & decision-making analysis

- On-line data management training
- Network management
- Training on window server
- Server management & configuration
- Graduate education in information technology
V - Role of PNIN: information Sharing and visibility

PORTAIL DE LA PLATEFORME NATIONALE D'INFORMATION POUR LA NUTRITION AU NIGER

Indicateurs de Suivi/Evaluation du PDES, des Stratégies sectorielles, ODD et autres engagements internationaux...

FORUM  NUTRITION NIGER INFO  PUBLICATIONS  BASES DE DONNEES  TRAITEMENT/ANALYSE  SUITE PROJET

News (dernières informations)

Accès plate forme aux utilisateurs et décideurs

HC3N, INS, DS, DEP, Utilisateurs, Décideurs...

Plateforme collaborative réservée aux gestionnaires de programmes/projets

Bibliothèque des publications Nutrition sensible, définition indicateurs, cours, manuels, (relais du GEF au niveau du HC3N)

Mise en place de profils utilisateurs et droits d'accès
• Workshop with the NSNP contributing sectors;

• Analysis of Nutrition issues;
