

# RENFORCER LES DONNÉES ET LA COORDINATION EN MATIÈRE DE NUTRITION EN LAO PDR

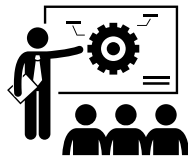

## AVANT LA PNIN

- Données cloisonnées et fragmentées
- Faibles structures de coordination entre les secteurs
- Capacité limitée d'analyse des données
- Base de données non multisectorielle
- Utilisation limitée des données

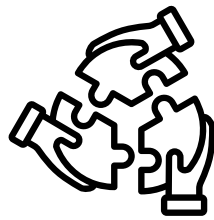

## CONTRIBUTION DE LA PNIN

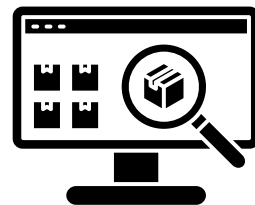

### RENFORCEMENT DES CAPACITÉS

### COORDINATION MULTISECTORIELLE

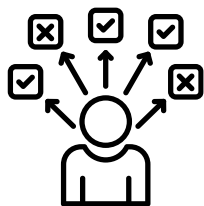

### SYSTÈME D'INFORMATION MULTISECTORIEL & IA

### GÉNÉRATION DE PREUVES & UTILISATION

### UNE PRISE DE DÉCISION ÉCLAIRÉE

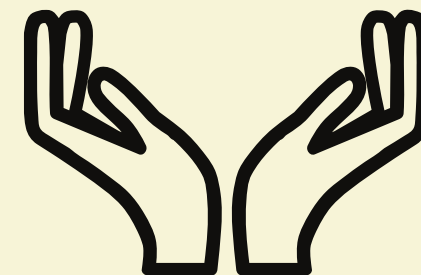

### Plan National de Développement Socio-économique

### Sommet N4G sur les données, la recherche, l'innovation et l'IA

### Plan d'action national sur la nutrition (NPAN)

### Comité National de la Nutrition

### LE PNIN SOUTIEN

## SOUTENIR LE PROGRÈS

- Préparation du paquet PNIN: de l'analyse des données à la planification budgétaire et à la formulation des politiques, tout en un
- Pérennisation des ressources financières pour le PNIN
- Partenariat avec le PAM

### 4 piliers pour la durabilité, la responsabilité et l'appropriation

1. Institutionnaliser
2. Renforcement des capacités et production de preuves
3. Site web et tableaux de bord
4. Diffusion et plaidoyer
